

Prayer Unto the Lady of the Mound.

*I bless the Waters of the Crypt
I drink the Fountain Red.
I call thee Mother Lilith
To raise the Mighty Dead.*

*Mine are the Seeds of Utterance
To voice the tongues of Hell;
Unto me thy Daughters
Ye Nymphs of the Haunt'd Well.*

*I bless the Waters of the Crypt
I drink the Fountain Black,
I call thee Mother Lilith
To scourge the crooked track.*

*By the Mystery of the Horned Moon
And the Vessel of Quicksilver
Thy Power is Made Flesh.*
